Montgomery ISD

Thursday, August 7, 2026

Get Back to School Day is a community volunteer service event presented in partnership with Willis ISD and Montgomery ISD to help prepare campuses for the upcoming school year. The workdays take place on August 4 in Willis ISD and August 7 in Montgomery ISD, bringing together businesses, families, and community members to assist with campus projects while district staff participate in professional development. The event includes a Kick Off Rally/breakfast followed by volunteers serving at campuses to help ensure schools are ready for students' return.

Sponsorship opportunities are available for businesses and organizations to support one or both districts. Sponsors receive recognition on event T-shirts, with select levels also including signage and social media recognition. Sponsorship proceeds directly support faculty and staff through welcome gifts, campus workroom supplies, and additional resources for the school year.
